

STEP 1

From the web site, check which rental car agencies carry Central Nippon Expressway Pass (CEP).

※CEP is carried at Chubu Centrair International Airport (Nagoya), Haneda Airport (Tokyo International Airport), Toyama Airport, Komatsu Airport, Kansai International Airport, Narita International Airport, and at major train stations in Nagoya, Tokyo, Yokohama, Kanazawa, Toyama, and Kyoto.
 ※If using CEP, there are restrictions on which shop you can return your rental car to. Check details when booking your rental.
 If you plan to borrow and return your rental car at the same shop, all of the agencies support this.

STEP 2

Book a rental car (limited to standard automobiles), ETC card (expressway toll card), and CEP from a shop offering CEP.

※Note that rentals of light vehicles and other non-standard automobiles are not entitled to the fixed rate unlimited drive discount.
